ABOUT CANOVA PACKAGING

At Canova Packaging, we are driven by a simple belief - great packaging should not cost the Earth.

We provide high-quality, sustainable, and eco-friendly packaging solutions made from natural materials. Our products are designed to serve your needs while protecting our planet.

From bagasse tableware to corn starch cutlery and paper packaging, we offer a wide range of alternatives to conventional plastic.

Quality. Sustainability. Responsibility.
That's the Canova promise.

Our Vision, Mission & Values

OUR VISION

To be a global leader in sustainable packaging, creating a cleaner, greener planet for future generations.

OUR MISSION

To provide innovative, eco-friendly packaging solutions that replace plastic, reduce environmental impact, and promote a sustainable lifestyle.

OUR VALUES

- Sustainability First
- Uncompromised Quality
- Customer Focus
- Ethical & Responsible Business

WHY CHOOSE CANOVA PACKAGING?

Eco Friendly

Made from renewable natural resources.

Food Safe

Safe for direct contact with all types of food.

100% Biodegradable

Breaks down naturally without harming the Earth.

Sturdy & Reliable

Strong, durable and suitable for hot & cold food.

Compostable

Turns into nutrient-rich compost in natural conditions.

Microwave & Freezer Safe

Suitable for reheating and storing.
